We have to wear a boring school uniform and I hate it. It's uncomfortable and it looks awful. Also we can't wear accessories – only a watch. What do other people think about school uniform?

By: Supermac      Posted: 17:45pm      Fri 11 August

I agree Myra. At my school we have to wear grey trousers and a green jacket and I hate green! 😞 I also hate looking like every other student in the school. The teachers don't have to wear a uniform, so why can't we wear what we want?

By: alison032      Posted: 19:02pm      Fri 11 August

Hey come on! Uniforms aren't so bad and you don't have to wear them when you go out. My mum hasn't got a lot of money to spend on clothes. A uniform isn't cheap, but it's more expensive to buy different skirts and trousers all the time.

In the USA some kids have to wear a uniform, but most of us wear normal clothes, like jeans and T-shirts. Who wants to wear the same clothes every day?

By: jason      Posted: 1:41pm      Sat 12 August

Ha ha ha ! I don't have to wear a uniform.

By: aishani      Posted: 16:50pm      Sat 12 August

In India most students wear a school uniform and I think it's OK. It makes me feel like I'm part of the school and there isn't any competition between students about clothes. Our uniform is blue and white and girls can wear a dress or trousers. Everyone looks nice!
